I am 2 1/2 yrs. old, and on October 5, 2009, I was diagnosed with leukemia. Since finding out, I have had a few surgeries and many rounds of chemotherapy at Akron's Childrens Hospital. At this time, I have been told I may need a bone marrow transplant as well. My mommy and daddy's names are Sharon Wilcox and Don Wilcox. We live in Austintown. Keep me close in your prayers and thoughts during my fight in beating this leukemia.
