Spring is here! And with it we can anticipate warmer weather. That means we can take our cars out and go places. Here are two for you to consider. Other trips are being planned for our club this summer.

OK. Let's see a show of hands. How many of you have never attended a Tuesday night MVOCC car cruise? Ok. Next question: Why not? Tuesday night cruises will begin **Tuesday, May 9, 5:00 – 8:00** at the DeBartolo Commons (former site of Sears in Southern Park Mall), and each Tuesday following into September, weather permitting. Through the 50/50 drawings, we collect money to donate to a family with a child with a medical problem and many medical bills. This year we were able to give our recipient's family \$2700. We also give money to Hospice of the Valley, and will be working with the Hope Foundation in their mission to help children with medical issues. It is a time to get together with other club members, look around at all the fabulous cars there, and enjoy an evening out in our wonderful summer weather. Food is available for purchase at Double Bogey's Restaurant on the premises.

There are many ways you can volunteer to help with the cruise: help set up the tables and tents (if needed), be an entrance worker to register incoming cars, help collecting for 50/50 drawing, put out signs directing to entrance, provide door prizes to be given away through the evening, be an encouragement to those working. Or you can just come, sit, and enjoy the evening and the fabulous music, (but ALL volunteers are appreciated!). Come out and be a part of this year's Tuesday night Car Cruises.
